Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting funding for a project called ARISE in Greenville, North Carolina in fiscal year 2022.

The entity to receive funding for this project is the Housing Authority of the City of Greenville, located at:

1103 Broad Street, Greenville, North Carolina 27834

The funding would be used to construct a 20-unit apartment complex with one and two-bedroom units for the use of young adults transitioning out of foster care. The apartment complex will have on-site management, case management, and a computer and business center with space available for a kitchen, an office, and a meeting room that will serve as a central location for community and support services. The housing units will be developed on vacant land owned by the Housing Authority of the City of Greenville.

I certify that neither I nor my immediate family has any financial interest in this project.

Thank you very much.

Very truly yours,

G. K. Butterfield
Member of Congress
